Source: US Mortality Files, National Center for Health Statistics, Centers for Disease Control and Prevention.

- <sup>a</sup> Top 15 cancer sites selected based on 2007-2011 age-adjusted rates for the race/ethnic group.
- Rates are per 100,000 and age-adjusted to the 2000 US Std Population (19 age groups Census P25-1130).
- <sup>c</sup> The APC is the Annual Percent Change over the time interval.
- Trends are based on rates age-adjusted to the 2000 US Std Population (19 age groups Census P25-1130).
- d Rates for American Indian/Alaska Native are based on the CHSDA(Contract Health Service Delivery Area) counties.
- Hispanic is not mutually exclusive from whites, blacks, Asian/Pacific Islanders, and American Indians/Alaska Natives.
  - IBD = Intrahepatic Bile Duct. ONS = Other Nervous System.
  - The APC is significantly different from zero (p<.05).
  - Statistic not shown. Rate based on less than 16 cases for the time interval. Trend based on less than 10 cases for at least one year within the time interval.
