

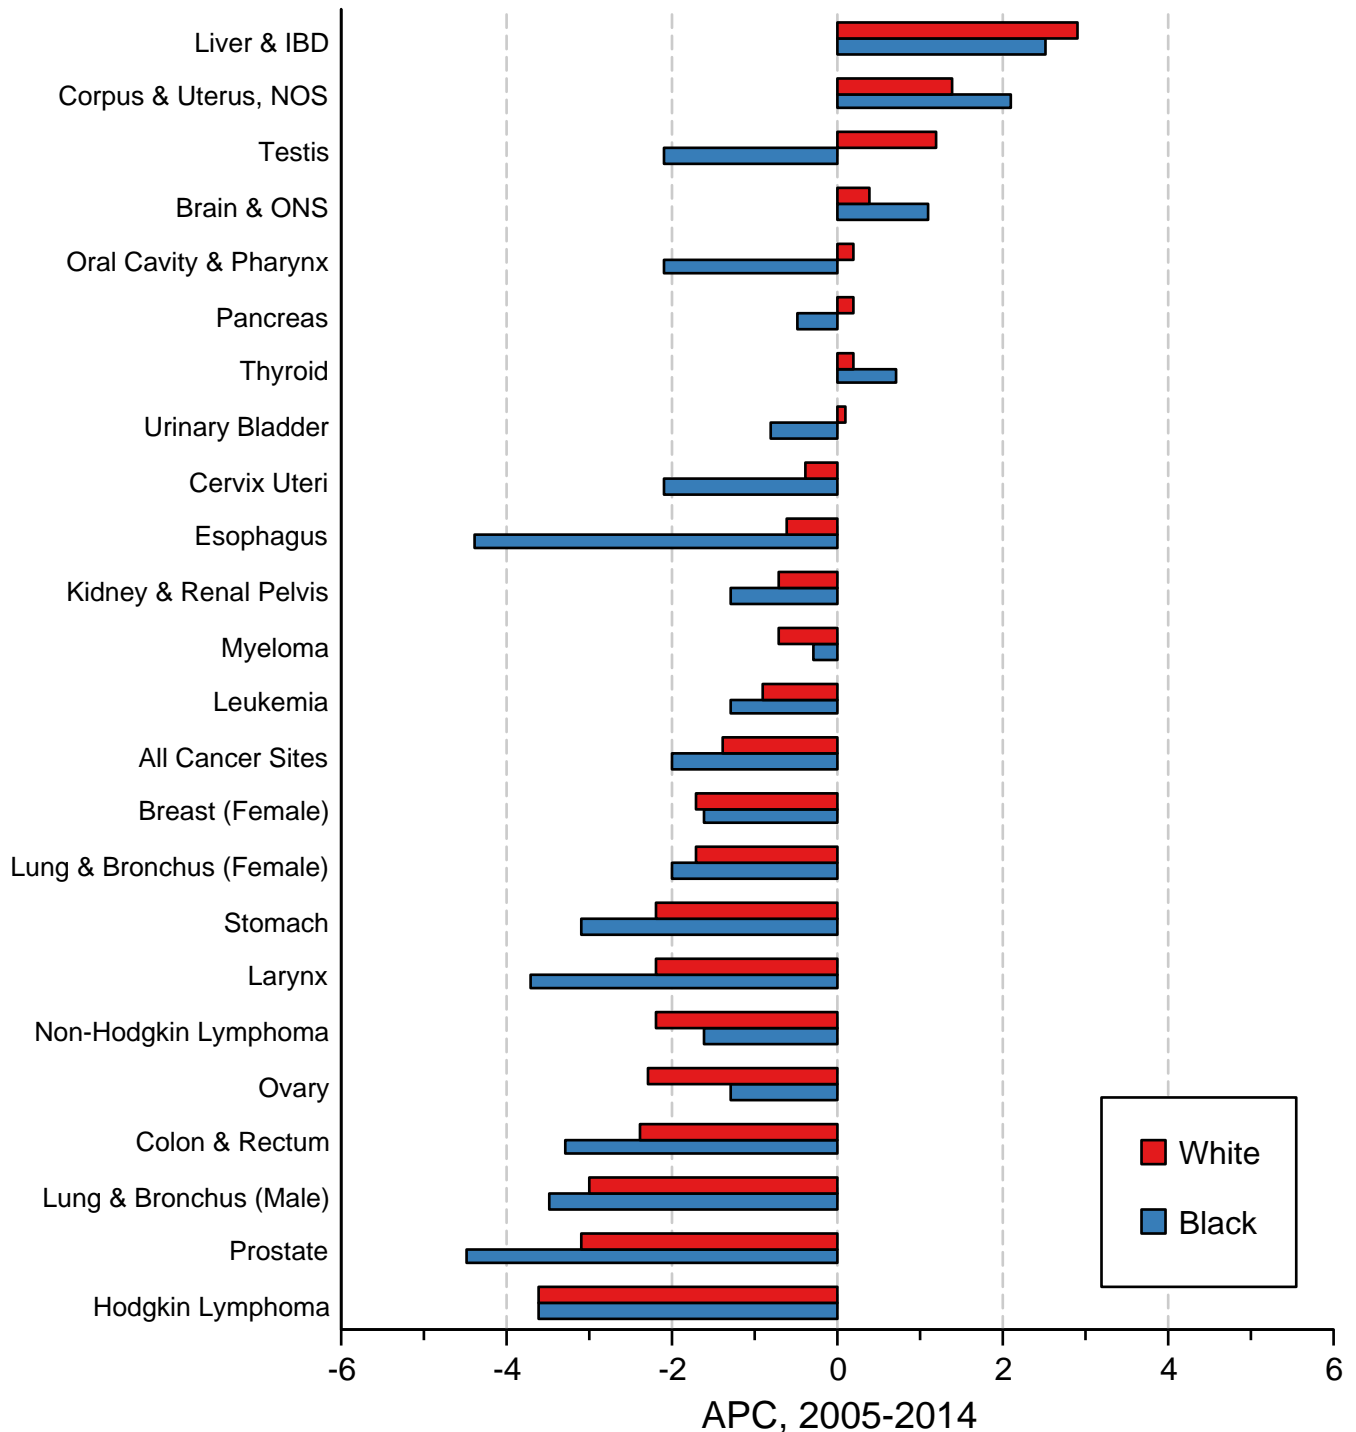

Figure 1.10

Trends in US Death Rates, 2005-2014 All Ages, by Race and Primary Cancer Site

Source: US Mortality Files, National Center for Health Statistics, Centers for Disease Control and Prevention.
The APC is the Annual Percent Change over the time interval.
Trends are based on rates age-adjusted to the 2000 US Std Population (19 age groups - Census P25-1130).
