Question:

EOD-Extension--Head & Neck: How do you code extension for a supraglottic larynx primary with "pre-epiglottic space" invasion?

Discussion:

Answer:

For cases diagnosed 1998-2003:

Code the EOD-Extension field to 65 [Pre-epiglottic tissues]. Extension to "pre-epiglottic space" is equivalent to extension to "pre-epiglottic tissue."
