### Question:

Surgery of Primary Site/Immunotherapy--Bladder: Is administration of BCG coded as both surgery and immunotherapy?

### Discussion:

### Answer:

Yes, code as both surgery and immunotherapy. The CoC included immunotherapy/BCG under surgery and also under immunotherapy by request of the clinical advisor for bladder, reflecting the mixed-modality nature of the treatments. [Answer from CoC I & R]

### Cancer Site Category:

Bladder

### Data Item Category:

Surgery of Primary Site, Immunotherapy

### Other Category:

N/A

### Year:

2003
