### Question:

2004 SEER Manual Errata/CS Site Specific Factor: Does SEER plan to incorporate the "Recording Tumor Markers in Collaborative Staging System Site-Specific Factors" document that was prepared for the CS Task Force Training Materials into the 2006 SEER Manual?

### Discussion:

### Answer:

This answer was provided in the context of CSv1 coding guidelines. The response may not be used after your registry database has been converted to CSv2.

There are no plans at this time to incorporate the Recording Tumor Markers document into the SEER manual. This document is not part of the Collaborative Staging manual. This is a stand-alone reference endorsed by the Collaborative Staging Steering Committee for use in coding site-specific tumor markers.
