Question 20130178

References:

Heme & Lymph Manual & DB, Appendix F

Question:

Reportability--Heme & Lymphoid Neoplasms: Is refractory iron deficiency anemia reportable?

Discussion:

Answer:

Per Appendix F, refractory iron deficiency anemia is not reportable. It is not a clonal disorder and, therefore, is not malignant. Refractory iron deficiency anemia is a condition that is unresponsive to oral iron treatment.
