

Georgia Center for Cancer Statistics

Submission Tracking System (STS)

Lyn Almon, MSPH, CTR

Goals of STS

- Ensure data is high quality
- Track submissions by facility
- Provide feedback to facilities
- Provide feedback to Regional Coordinators

Cancer Reporting

GCCS Submission Tracking System

STS - Ensure High Quality Data

Rejects records if critical data items are missing

Runs Georgia GenEdits on incoming files and produces error reports for facilities

Checks to ensure abstractor id is registered with the registry

Creates reports of unknown or missing data items for facilities

Email receipt to facility

Frank Hamilton
Rhett Butler Hospital

Credited for June 2017 Monthly Data Submission
Submission received on : 06/30/2017

70 Abstracts Submitted **0 Abstracts received within 4 months of diagnosis**
- 0 Previously Submitted Abstracts (Duplicates)
= 70 New Abstracts (Given credit for)

Of these 70 new abstracts, 0 abstracts were Rejected and there were 0 Edit Errors.

Attached you will find enhanced missing data report files with the file extension HosQC_1.pdf.aep or HosQC_2.pdf.aep
These reports show missing, unknown or unspecific data values for selected fields of each accepted abstract in your submission and are broken out by class of case. The HosQC_1.pdf file contains class of case 0-2 and the HosQC_2.pdf file contains class of case 3-9. These reports now contain the abstractor initials for each abstract containing missing data. This report was created in order to improve the data quality of submissions. Please review the report and see where improvements in your data can be made.

Attached is a new encrypted report showing your resubmission progress for rejected/edit error reports. The report has the HOSRES.pdf.AEP extension and must be decrypted in order to be viewed. Please make every effort to return resubmissions that have a delay of over 30 days.
If your submission contains Rejected Abstracts, use the attached report to identify these abstracts and resubmit them within 30 days.
If your submission contains Edit Errors, make corrections to the attached Edit Report and send it back to GCCS within 30 days.

Please notify GCCS of any changes in contact person or email address.

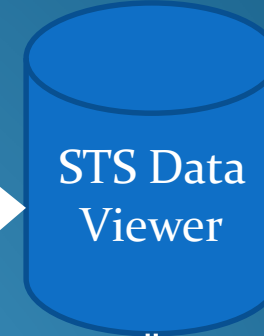

Thank you,
Georgia Center for Cancer Statistics
