Histology Coding Rules
C700, C701, C709, C710-C719, C720-C725, C728, C729, C751-C753**

Rule H11 Code the histology with the **numerically higher** ICD-O code.
Note: Use this rule **ONLY** when previous rules do not apply.

This is the end of instructions for Multiple Tumors Abstracted as Single Primary.

Code the histology according to the rule that fits the case.
