

Updates to SEER Summary Staging 2000 Manual and Files

Use the [online SS2000 manual](#), effective 1/1/2000. Replace all other versions of SS2000 manual. The online version of the manual on this website includes both Errata.

1. Effective 1/1/2012, the SS2000 Hodgkin and Non-Hodgkin Lymphomas of All Sites staging scheme on pages 278-279 is applicable to histology code 9823/3 (B -cell chronic lymphocytic leukemia/small lymphocytic lymphoma).
 - a. On page 278 at top, add ", 9823" in line 5 after histology code list "...9727-9729)"
 - b. On bottom of page 279, add "Note 7: For cases diagnosed 1/1/2012 and later, SS2000 Hodgkin and Non-Hodgkin Lymphomas of All Sites staging scheme is applicable to histology code 9823
2. Printed SS2000 Manuals
 - a. The items on Errata 06142001 are included in the printed version of SS2000 published in 2001, and not included in the printed version of SS2000 published in 2006 and 2009
 - b. Some items, but not all, on Errata 08202002 are correctly included in the printed version of SS2000 published in 2006 and 2009.
